SUMMARY

Frontend Developer with 1.5+ years of experience crafting accessible, responsive, and visually clean web experiences. I enjoy turning ideas into intuitive interfaces through clean code, thoughtful design, and strong attention to performance. Experienced in UI development, API integration, deployments, and CI/CD, with a passion for building products that are both functional and elegant.

WORK EXPERIENCE

YHHIT | Frontend Developer | Jul 2024 – Present

- Developed responsive web applications using React.js, Next.js, and Tailwind CSS.
- Integrated APIs and collaborated with backend teams for seamless functionality.
- Ensured the technical feasibility of UI/UX designs.
- Optimized applications for maximum speed and scalability and SEO implications.
- Assisted in project deployments, server maintenance and monitoring.

Imark Pvt. Ltd. | Frontend Developer Intern | Dec 2023 – May 2024

- Assisted in building web applications using React.js and Next.js.
- Developed UI components and animations with Framer Motion.
- Improved website performance and basic SEO.

Fewa Public School | Computer Science Teacher | Apr 2022 – Apr 2023

- Taught programming and web development fundamentals.
- Conducted practical sessions on HTML, CSS and JavaScript.
